What Interference will do:

Distribute and transmit the work

Attribute the work in the manner specified by the author or licensor (but not in any way that suggests that they endorse you or your use of the work).

Rights — In no way are any of the following rights affected by the copyright license:

- Your fair dealing or **fair use** rights, or other applicable copyright exceptions and limitations;
- The author's **moral** rights;
- Rights other persons may have either in the work itself or in how the work is used, such as **publicity** or privacy rights

You are free to re-publish this work as long as you reference that *Interference* has already published this same work.

Authors

Originality of manuscripts:

Only **original** and **previously unpublished** manuscripts will be accepted for publication. Upon acceptance of your manuscript, you will be required to sign a warranty that your manuscript is original and has not been submitted for publication or published elsewhere. Upon transfer of the copyright to *Interference*, the manuscript cannot be reproduced without written permission of the publisher.

Signed permission forms for copyrighted images (if necessary):

If you have included in your paper any images, audio or video for which the copyright is held by a third party, it is **YOUR** responsibility to ensure that you obtain permission for their inclusion in your paper.

Submission Form

The author(s) [**name**] hereby warrants that the manuscript, titled [**Insert title**], that has been submitted to *Interference* for publication in [**Insert Issue title**], is original and has not been submitted for publication or published elsewhere, and that all trademark use within the manuscript has been credited to its owner or written permission to use the name has been granted. In addition, the author(s) acknowledges that all images such as tables, screenshots, graphics, etc., do not have a copyright that is held by a third party. *Interference* will not accept a manuscript for which the copyright is held by a third party.

The author(s) in consideration of the publication of the above named manuscript also understands:

1. The author retains the rights to any intellectual property developed by the author and included in the manuscript including, without limitation, any models, theories, or conclusions formulated by the author. While the author may use any and all thoughts and research results developed or accumulated while working on a manuscript, and may rewrite, update, and re-title them for use in other publications, the author CANNOT use the verbatim text of the manuscript or any part thereof that has been copyrighted by *Interference* without first obtaining the written permission of *Interference*.
2. The Author(s) understand that no royalties or remuneration will be paid by the Publisher to the author for the above named submitted manuscript. Further, Author(s) acknowledge the manuscript is being provided on a volunteer basis for the professional recognition obtained by the publication.
3. The parties to this Agreement consent and agree that all legal proceedings relating to the subject matter of this Agreement shall be maintained by the Creative Commons Licence although creative commons makes no warranties regarding the information provided, and disclaims liability for damages resulting from its use.
